Applicable Condition for the Surcharges

- The surcharge applies to ANA International sectors on NH and OAL tickets.
- The surcharge applies on all fares/tickets, including AMC Award, IT Fares, ID, AD, CG.
- Apply the above mentioned amount per sectors, converting to the local currency with applicable BSR at the time of ticketing.
- Same Amount as adult applies to children and infants with seat (infants without seat are exempt).
- Collect the surcharge in the TAX/CHARGES box of the ticket using code 'YQ'. The fuel surcharge is to be combined with existing insurance surcharge (also using code 'YQ'), and the total amount will be shown in the TAX/CHARGES box.
- When unused portion of the ticket is applied for refund, the fuel surcharge for such sector will be refunded in full.
- Open-dated or endorsed ticket will apply the fuel surcharge when conditions above are fulfilled.
- The handling procedures for an amendments to Fuel Surcharge occurring after a ticket issuance and before The date of departure are as follows.
 - When a ticket is not changed, no adjustment of Fuel Surcharge will be made.
 - When the first international sector of the wholly unused ticket is changed, difference between the Fuel Surcharge applicable to the original ticket and the new Fuel Surcharge will be adjusted.
 - When the sectors other than the first international sector of a ticket are changed, no adjustment of the Fuel Surcharge will be made.
